SOX LOST LAST GAME.

Season Closed With 4 to 1 Victory
for Opolis.

The base ball team from Opolis,
Kans., of Nashville, Mo., (take your
choice) broke even with the Redsox for
the season by pounding out a 4 to 1
victory at the Ward grounds last Sun-
day. They won by hitting Thompson
consistently in the pinches, while Jas-
per couldn't locate Mitchell when hits
meant runs.

Opolis virtually cinched the game in
the third, when three clean drives
coupled with two passes resulted in
three runs. The Sox came back in
their half with one run, but couldn't
overtake their opponents, who made it
safe by adding one in the fifth.

Opolis deserved to win the game and
wor it. They had twice the pepper of
the local lads, who played a spiritless
game behind Thompson. Burkett was
not in the line-up, Hicks coming in
from the field to play third and Dodd
played in outfield.

Withal, the game was a good one from
the standpoint of the spectators, who
never ceased rooting for the Sox until
the last man was out in the ninth.
The Sox started a feeble rally in this
inning, when with two out Crawford
walked and Hicks hit safely to right,
each runner advancing a bag on the
throw-in. Essninger then had a passed
ball and Crawford started in, but there
being no coacher on the line, was un-
decided and turned to go back, then
again changed his mind and started in,
but Essninger had recovered the ball
and tagged him out.

This game was the fourth lost this
season by the Sox out of twenty-three
played. They defeated every good
team in the southwest at least once,
making their poorest showing against
Sarcoux and Opolis, with whom they
broke even. They were shut out once
and on five occasions handed the kals-
mine to their opponents. Wolf led the
batters for the season, with an average
of .328, the average being compiled from
records from which a number of games
are missing. Griffith and McComb are
second and third respectively with .313
and .303. Houdersheldt, who played in
six games, and Hicks are tied at .264.
Burkett leads the run getters with .
McComb second.

Ex-Governor Alexander M. Dockery
had a crowded house to hear his ad-
dress at the opera house Friday after-
noon, both Democrats and Republicans
taking advantage of the opportunity to
hear the man whose shoulders bear the
brunt of the Democracy's state cam-
paign this year. Mr. Dockery's reputa-
tion as a public speaker suffered in no
way from his address here, which was
enthusiastically received by the mem-
bers of his own party and freely com-
plimented by those who do not agree
with him politically. He spoke for con-
siderably over an hour, closing his ad-
dress only a few minutes before the ar-
rival of the 3:30 passenger, on which he
left for Carthage.

THE KANSAS CITY MARKET

Reported for the News by a Special
C. correspondent.

Kansas City Stock Yards, Oct. 19,
1908. The market last week was very
uneven, opening with a good gain first
of the week, but closing with all of the
advance lost, and in the case of stockers
and feeders, a little more. The run to
day is 23,000 head, slightly less than a
week ago, but still indicating that it
will be a few weeks yet before the range
cattle receipts cease to form the bulk of
the total supply. The market today is
weak on steers, and 5 to 10 lower on
cows, the decline mainly because of a
big run and lower prices at Chicago to-
day. Stockers and feeders are weak to-
day also, as the dry weather is having
a bad effect on the demand from various
points in Kansas and Missouri. Re-
ports of rain in Kansas today, and indi-
cations of rain for Missouri tonight and
tomorrow, are of some benefit to the
market today, but this week will be a
good opportunity to secure cheap cattle,
as there was 3000 more stockers and
feeders held over from last week than
at the end of the previous week, and as
great a number as at the end of any
week this fall. Some show steers sold
at \$8.00 last week, but top on the open
market, outside of the Harbaugh steers
from Nebraska on Monday, which were
on the show order, and brought \$8.00,
was \$7.30, and only a few cattle above
\$6.90. Grass steers are selling at \$3.40
to \$4.90, cows \$2.60 to \$3.60 top cows
\$4.25, top heifers \$5.25, bulls at \$2.00 to
\$3.40, calves \$3.50 to \$6.50, stockers
\$2.80 to \$4.30, feeders \$3.50 to \$4.60.

Hog prices declined another 50 cents
last week, making the loss for two
weeks \$1.00, market \$1.35 lower than
three weeks ago, when the big decline
set in. The run is 12,000 today, market
10 to 20 lower, top \$5.70, bulk \$5.00 to
\$5.30. Average weight is lightest ever
known here, less than 180 lbs., but
quality is fairly good, considering the
light weight. Receipts are running
twice as heavy as at this time last year,
and heavier than ever before at this
point in October, but local packers are
buying them freely, and prices here are
above competing markets.

Sheep receipts are smaller than a few
weeks ago and prices are slightly lower
than a week ago. Packers claim the
outlet has narrowed down, but there
has been no break in the market, only
a slight weakness. Run is 11,000 head
here today, market about steady, no
choice lambs here, top \$5.50, fair to
good lambs \$5.00 to \$5.40 yearlings \$4.40
wethers \$4.30, ewes \$4.20. Demand
from the country is large, but prices
are not more than steady with a week
ago. Lambs \$1.35 to \$4.85, stock and
feeding sheep \$3.50 to \$4.10, breeding
ewes up to \$4.40.

David Parker, of Fayette, N. Y., a
veteran of the civil war, who lost a foot
at Gettysburg, says: "The good Electric
Bitters have done me worth more than
five hundred dollars to me. I spent
much money doctoring for a bad case of
stomach trouble, to little purpose. I
then tried Electric Bitters, and they
cured me. I now take them as a tonic
and they keep me strong and well." 50c,
